

3-View Orthographic Projection

- Please draft a 3 view drawing of the following part on a landscape 8.5"x11" piece of paper.
- Draw a 1/4" border.
- Do ***NOT*** erase your construction lines.
- Include all hidden lines and center lines.
- Do not dimension.
- You may need to scale the drawing to properly fit on the paper. Pick a scale that fills up most of the paper, with room between views and the border.
