

MA 111**Calculus I**

Course Description: Functions; limit of functions, continuity. The derivative and its applications: curve sketching, maxima and minima, related rates, velocity and acceleration in one dimension; trigonometric, exponential, logarithmic and hyperbolic functions. Definite and indefinite integrals; area, the fundamental theorem, techniques of integration.

4 credits; 5 contact hours. Prerequisite: none.

Instructor: Mili Shah (mili.shah@cooper.edu)

41 Cooper Square, Room 311

Lecture: Wednesday 9:00AM - 10:50PM,
Friday 9:00AM - 10:50PM

Recitation: Thursday 09:00AM - 9:50AM

Office Hour: Thursday 10:00AM-10:50AM or by appointment

Participation: Please contribute to the classroom environment by asking questions and participating in discussions. Your interaction will be considered when assigning borderline grades, as will improving performance throughout the course of the semester.

Exams: Three exams (20% each) and one final (30%) will be given during the semester. Each exam will be one hour and the final will be two hours. You may not use outside resources: calculators, other students, other books, etc.

Homework: Suggested homework problems are posted on the following page. These homework problems will not be graded but are representative of information that is required. Similar homework will be presented on quizzes, exams, and finals.

Quizzes: There will be quizzes given throughout the semester due Thursdays at 11:59pm. These will be based on problems from the previous week. Collectively, these quizzes will constitute 10% of the final grade. The lowest quiz grade will be dropped.

Grading: Quizzes: Due Thursdays at 11:59pm (10% of final grade)
Exam 1: Friday, September 24 (20% of final grade)
Exam 2: Friday, October 22 (20% of final grade)
Exam 3: Friday, November 19 (20% of final grade)
Final Exam: Wednesday, December 15 (30% of final grade)

Note: I reserve the right to adapt quiz and exam dates.

Assessment: Quizzes will be posted on the website

<https://webwork.runestone.academy/webwork2/cooper-shah-ma-111-fall-2021/>

Your initial login is your Cooper username and your password is your Cooper ID number. The quizzes will be timed take-home.

Late policy: No quiz, exam, or final may be made up without prior arrangement or a written excuse.
